The Democrats of Sedalia, Missouri, came out in any one paper, since the by from 75 to 100 majority. The Democrats of Clinton, Missouri, carried the election by three to one Dem ocratic majority

> In Chillicothe, Missouri, the Democtats carried their entire ticket. The Democratic majority in Springfield Missouri, at the city election on the 4th instant, ranged from 125 to 200. The Democrats of Warrensburg, Mis-

CUT OFF THE TAXES

The following pointed remarks, which ought to interest every tax payer in the if forty or fifty more of that kind land, we copy from that bold and able paper, the Cincinnati Enquirer. Read it

There were shipped from Potosi, last week, twenty car loads of lumber, thirty tone of zine and one hundred and fifty-two pigs of lead.

Fleetwood Herndon, one of the oldest and best citizens of Boone county, died on the 28th uitimo in the eightieth year of his age.

Carefully:

There is one point upon which there is getting to be almost absolute unanimity, and that is, that our taxes must be enormously reduced. The pretended reduction at the last session of Congress of eighty millions of dollars per annum is a delusion and a sham. More than four hundred millions of dollars will still be collected from the hard earnings of the

s, says on this point:
"But Mr. Boutwell's point of view is not that from which the people look at the subject. His is the official view—theirs is the view that is forced upon them by the embarrassment of business and the depression under which industry staggers. The load he would fasten upon them they protest they cannot carry. Of the crushing, overwhelming

of our taxation, the Philadelphia Inquirer

another Republican organ says: Macon Co., sold to R. S. Cristal, a span of mules for three hundred and fifty dollars. They weigh two thousand and ten pounds, and are number one carriage the capital and labor of the country have the capital and labor of the country have been poured like water into that re-ceptacle. It is estimated—and not over estimated, we believe—that during the last ten years, the people have contrib-uted, in one way or another to the country, over four hundred millions annually, or in the aggregate between four and five thousand millions.

"There is only one matter of surprise in all this, which is, that the country has one dollar left to lay beside another."

The New York Commercial says, that "There is only one matter of surprise in all this, which is, that the country is not collail left to lay beside another."

There was an amusing and for some time in the beging musance of the two. "There was an amusing and for some time in the beging musance of the two."

And now the veteran abolitionist, Loyd Garrison-steps to the front and fells that "to transfer the despotion of the camp to the White House in matter and was very bitter in his references to leading Republican members whom the camp to the White House in matter of exist administration may prove successful for the time being; but it will not be long borne with by the people, who are not to be ruicel, but represented.

Liyses the besofted gave a log dining and wining to the San Domingo Commission, on Thursdry evening of the latter's face. As Mr. Davis turned that white liquid is the substitution of Lexington to Lafayette donney, "Garrett Davis was just concluding a spect on the latter should be substituted that the substitution of the country in the ruing that the latter's face.
